These Are The Best Times

These are the best times,

The moments we can't let slip away

Life's little games we play,

Living from day to day

But once in a lifetime,

A minute like this is ours to share

Remember the moments well,

For moments like these are rare as dreams

And golden rainbows,

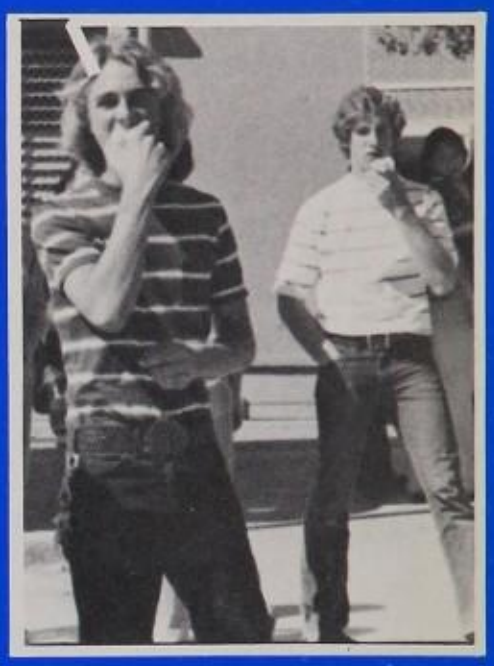
Soft as the summer wind blows by.

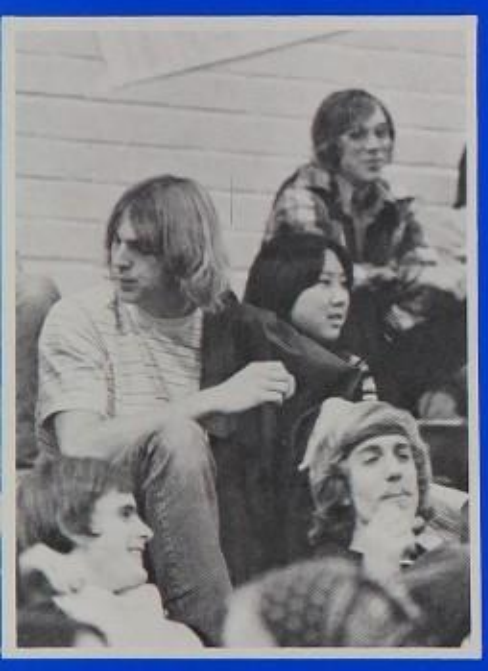
Together we laugh and cry,

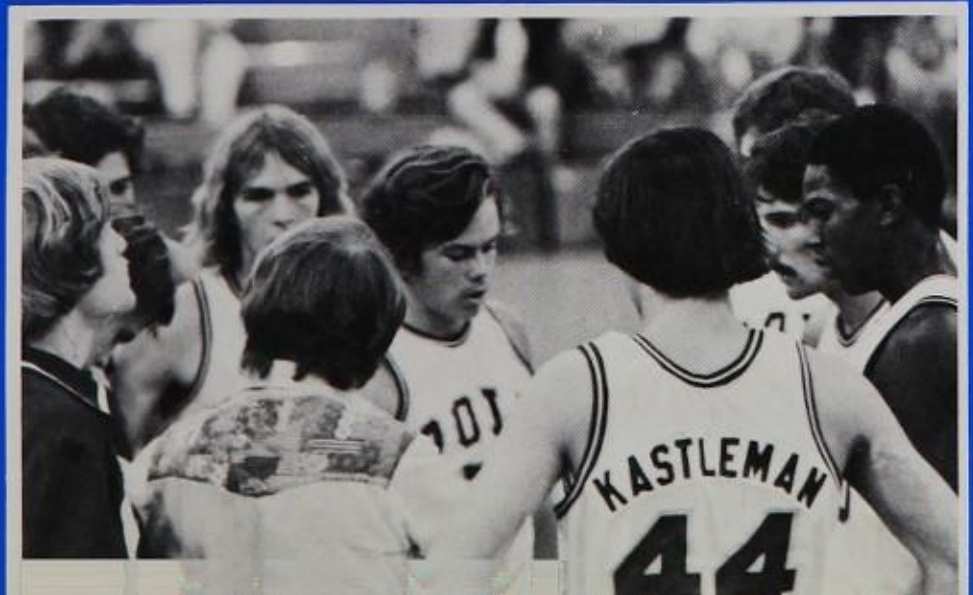
Together we'll cross the timeless sands.

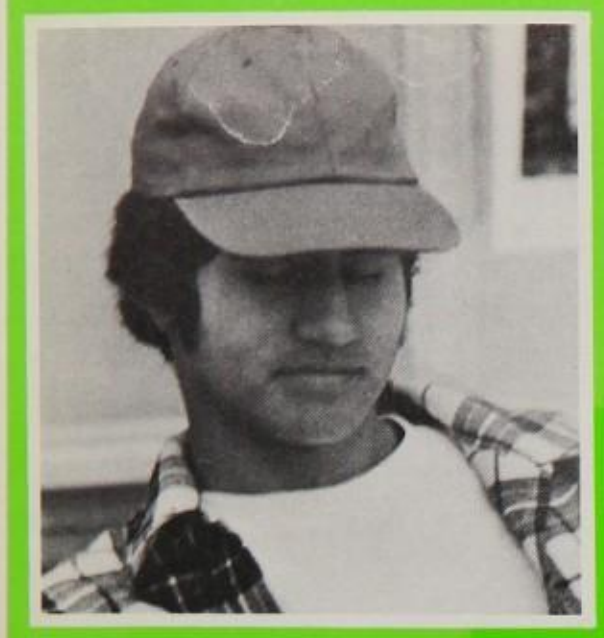
Chasing the endless sun,

Living our lives as one.









Sleepin' on the job
